

REMARKS

The Examiner has restricted this application to one of the following inventions under 35 U.S.C. 121:

- I. Claims 1-59, 67, drawn to a computer-implemented method of facilitating sales of services, classified in class 705, subclass 500.
- II. Claims 60-66, drawn to a computer-implemented method of physiological telemetry, measuring various body functions in the context of effectuating a sale, classified in class 128, subclass 902.
- III. Claim 68, drawn to a computerized method of creating a business plan, classified in class 705, subclass 1.
- IV. Claim 69, drawn to a computerized method of determining intelligence quotient, classified in class 434, subclass 433.
- V. Claim 70, drawn to a computerized method for generating a call to 911, classified in class 379, subclass 10.02.
- VI. Claim 73, drawn to computerized method of facilitating an auction, classified in class 705, subclass 80.

In response to the restriction requirement, Applicant elects to pursue Group I and claims 1-59 and 67.

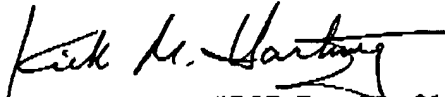

With respect to the requirement for an election of species, Applicant elects species IA with claims 1, 2, 3, 5, 16, 18, 23-29, 31, 32, 35, 41, and 50. Claim 1 is generic, such that all claims depending from claim 1 should be allowed, when claim 1 is allowed. Claim 1 distinguishes over the cited prior art and is allowable for the reasons set forth in the amendment dated June 21, 2005.

Accordingly, Applicant respectfully requests that a notice of allowance be issued for claims 1-59 and 67.

No fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Reconsideration and allowance is respectfully requested.

Respectfully submitted,
